Heartland Waste (the City's solid waste collection contractor) is now offering a recycling program for the residents of the City of Richmond. Heartland Waste will provide a "special" container and pick up your recycling items weekly. Recycling will be on the same day as your trash pick-up. The cost for this service is fifty cents (\$.50) per month and will be applied to your regular monthly City of Richmond utility bill. All items except glass and Styrofoam are acceptable recycling materials. Containers shall be returned if you move out of Richmond.

I would like to participate in the recycling program.
