

Water Line Questionnaire

We would like to ask your assistance in helping us gather critical information using the below form, as the first step in establishing our City's Lead Service Line Inventory for the EPA.

Please contact City Hall if you need assistance with this request. (816) 776-5304 or email cor64085@gmail.com

Thank you for helping meet compliance with EPA regulations.

**Indicates required questions*

*Service Address:

*Which option below best describes you?

- Owner
- Tenant
- Property Manager
- Other

*Customer Name:

Owner's name (if different than customer) :

*Phone Number:

Email Address:

*What type of structure is this address?
